

Level 2 Certificate in **Understanding Specific Learning Difficulties** Distance Learning Short Course

Course overview

With approximately 15% of people being affected by Specific Learning Difficulties (SpLDs), it is important for individuals to develop their understanding of what SpLDs are and how they can affect the lives of those impacted by them. From dyslexia and dyscalculia to ADHD and DCD, there are many types of SpLD and some people are affected by more than one. This course will help to identify ways of supporting individuals with SpLDs.

By completing the course, learners will develop their knowledge and understanding of Specific Learning Difficulties. The units and topics included are ideal for learners who are looking to support individuals with SpLDs in any environment, be it at home, in the workplace, or in schools.
