

## Warehousing and Storage

### About the industry

This Apprenticeship covers the movement and storage of goods but there is more to this job than just moving items. As a Warehousing and Storage Apprentice your duties will depend on your employer, but you could be

managing stock, auditing inventories, keeping equipment in good working order, processing returned goods or managing the receipt, storage and dispatch of goods. As an Advanced Apprentice you may be supervising a team in addition to your normal duties.

### What you will learn

### Level 3 Diploma in Warehousing and Storage

There are no specific entry requirements other than meeting the Apprenticeship eligibility conditions.

#### Group A - mandatory units

- Contribute to the provision of customer service in logistic operations
